Dedication

We, the Class of 1959, take pride in dedicating our yearbook to a dedicated teacher—Mrs. Mary B. Dean. Mrs. Dean has assisted our class in many ways. She was our advisor in our junior year and helped us in obtaining our class rings. Through her "World History" classes, she has opened to us many doors to the past. Those who have been in her classes will always remember her quick wit and her vast knowledge. We affectionately refer to her as "Ma" because she is always there willing to help and understand us. We are proud and grateful to have been associated with a person of such outstanding qualities.

Look through these doors that are so familiar to us all. Notice and remember the opportunities, challenges, and experiences that they have opened to us in our years at Attleboro High School.

Education is a door—a gateway to a richer, fuller life.

To the Class of 1959:

Orison Sevett Marden, whose books have enriched the minds of many people, was once asked for his philosophy of successful living. I think his answer is worth remembering.

"First, a man must have confidence in himself. Next, he must have workable ideas and worthy purposes. Then he must act and put his good intentions to work. The man who succeeds, who reaches his objectives, first, last, and always, is the man who *thinks* he can."

Congratulations to you upon the completion of your last year of public school education. Best wishes for your future success.

Ralph C. Sturke

Members of the Graduating Class:

A short time ago, seemingly, in September of 1956, you, the present members of the senior class, entered the doors of Attleboro Senior High School. Now, in a few more days, you will receive your diplomas and go out into the world at large.

For some, graduation will mean advanced study; for others, entrance into the armed forces or the beginning of regular employment.

Whatever you have chosen for a career, I hope that Attleboro High School has assisted you in making discerning plans for the future, so that your life ahead will produce rewarding work, sound citizenship, and worthwhile living.

Induction Ceremony May 1958

Boys' and Girls' State

Each year the American Legion and the Legion Auxiliary sponsor similar programs for boys and girls—Boys' and Girls' State. These imaginary states, modeled on our state government, are governed by the youths themselves. They hold elections, and certain members are chosen to attend Girls' and Boys' Nations.

Delegates are chosen first on the basis of scholarship. Then extra-curricular activities and interests are brought into consideration.

Boys' and Girls' States supply an excellent experience in learning about government, but more important, in meeting and cooperating with many different people.

Boys' and Girls' State Representatives and Alternates

SEATED: Edward Houde, Richard Houde. STANDING: Louis Salvas, William Cornell, John Berberian, Elinor Scott, Virginia Pond. REAR: David Marsland, Edward Calesa.

D.A.R. Good Citizen

Each year all public high schools are invited to choose a girl from the senior class to represent them at the State Conference of the Daughters of the American Revolution. Three girls are selected by a vote of the senior students. From the three nominees, the faculty select the one to be the Good Citizen. The D. A. R. Good Citizen must possess the following qualities to an outstanding degree:

- Dependability, including truthfulness, loyalty and punctuality
- Service, including cooperation, courtesy, consideration of others
- Leadership, including personality, self-control
- Patriotism, including unselfish interest in family, school, community, and nation

Congratulations to this year's Good Citizen, Norma Kerkhoff!

QUALITIES FOR TECH.

Our varsity basketball team, coached by Mr. Howard Tozier, was the first Bristol County League team and the second in the state to qualify for Tech Tourney playoffs.

Our junior varsity basketball team had a terrific season also. Under the coaching of Mr. Dudley O'Leary, they lost only one game.

Congratulations to both teams!

MUSIC DEPARTMENT ACTIVITIES

Our band, which is one of the largest ever produced by Attleboro High School, contributes to the enthusiastic atmosphere of our football games and rallies. The band also marches in various parades and presents its own Band Concert in the early spring.

However, no rally, parade, or half-time show would be complete without our majorettes. These girls practice during the summer, after school, and during Period X.

The orchestra, also popular with the student body, has regular class periods for practices.

Any morning before school, one can hear the most celebrated vocal group in the school, the A Cappella Choir. This group is made up of selected students, chosen for their ability to sing without accompaniment. The choir is often requested to perform for various functions throughout the city.

Comprised of students who have passed special tryouts, the Girls' and Boys' Glee Clubs provide delightful music for students and faculty alike.

All our music groups participate in the annual Christmas and Spring Concerts and the Southeastern Massachusetts Music Festival.

"Hands off, Mr. Leonard!"

1961

Sophomores in the front row?!!

Cute Sophs!

Sophomore Class

The Sophomore Class spends its first year at A.H.S. getting orientated to high school life. The class elects officers who guide it through the year. Dues are collected so that by the Senior year the class will have enough money to defray graduation costs. Mrs. Spriggs is the Sophomore Class Advisor.

Class History

As we entered the doorways of A.H.S. in 1956 for the first time, we were welcomed by our principal, Dr. Thomas H. Richardson. Of the many events which have happened since then, we have selected the most memorable to record in our class history.

The first time we won the competition cheering at a rally we were rewarded by learning the names of our class officers. Norma Kerkoff, our class president, along with the other class officers worked with Miss Daley, our class advisor, who helped make our first year at A.H.S. the success it was.

One cold December night the basketball players were stranded in Mansfield until almost midnight after a practical joker had let the air out of the bus tires.

Plans for a new senior high school were discussed by various civic groups and organizations, along with plans for the much-debated comfort station.

Diane Miller was hit by a car while on her way to school and was hospitalized for many weeks.

Eddie Calesa was the sophomore member of the cast of "Four on a Heath," a play presented by the Drama Showcase. "Four on a Heath" won first prize at the Southeastern Massachusetts Drama Festival and from there went on to the State Festival.

Our sophomore dance, Cinderella's Ball, was quite a success both socially and financially. Bette Swanton was chairman of the committee which worked very hard to make our dance outstanding.

Do you remember the time Barbara Whipple fell off the risers while singing with the Girls' Glee Club?

As a result of the egg-throwing episode at the Armory, a Student Court was established in our sophomore year; but because of changes in administration, it was discontinued.

Who remembers the party at Leslie Johnson's that turned into an open house?

During the month of May many girls could be seen practicing for cheerleader and majorette tryouts. There were many bruises and black-and-blue spots as future cheerleaders practiced acrobatics, and future majorettes practiced twirling. At long last, tryouts were held and three majorettes and six cheerleaders were chosen from our class.

Two students had outstanding scholastic records during our sophomore year. Both Barbara Olsen and Dyanne Spatcher received all A's for the year.

A Cappella Choir tryouts were held in May. Sixteen members were chosen from our class. We were all very proud of them.

All these preparations for our junior year were brought to a close by the Class of '57's presentation of their Class Day Program.

When we returned to A.H.S. as juniors, we discovered that Dr. Richardson had left, and that Mr. Hall was to be the interim principal.

We were disappointed to learn that Mrs. Gerlach, the Art teacher, had left. Her vivid personality and willingness to help had impressed us all.

Many events were happening that year outside A.H.S. The first Sputnik was launched by the Russians in October, and the furor over education requirements was begun.

Many people got their drivers' licenses in our junior year. Of course, there were a few minor accidents! Do you remember the accident of Oak Hill Avenue when John Morin parked in front of Don LeBlanc who was being pushed at the time? A small collision resulted.

Remember the time all the electricity went off, leaving

the balcony in almost total darkness? Although not many of us realized it at the time, the power failure originated in the Teachers' Lounge where some teachers were using a "forbidden" hot plate.

As we became upperclassmen, we participated more actively in varsity sports. Several boys were outstanding on the football field. We were well represented in basketball, too. Do you remember the time Eddie Calesa made a basket in our opponent's hoop giving Mansfield two extra points?

Towards the end of October, excitement ran high as eleven girls from our class were admitted to Tri-Y. Everyone must remember the costumes they had to wear and the stunts they were forced to do as part of their initiation.

Bobby's was remodeled twice during our junior year, enlarging it considerably.

Who remembers the time in December when Ann Quimby, Gloria Marcoux, and Marie Doyle had to walk home from Bobby's Rollaway at midnight?

Sorrow came to our class with the passing of Maryann LaCroix. Maryann left a very empty spot in our midst.

Do you remember the lunchroom music we had for a time in the early part of that year?

Speaking of music—(although a slightly different kind this time)—later in the year, the Southeastern Music Festival was held in North Attleboro. Many students either participated in or attended the well-organized festival.

In the middle of the year Miss Eileen Tormey, a member of the math department, left us to accept a position in Indiana.

Everyone must remember the bomb scare we had. The resulting confusion lasted most of the day.

Miss Connolly's bell was broken that year, probably due to its constant use.

Our junior dance, Alpine Festival, under the direction of Ann Walsh and her decorating committee, was well-attended. The decorations followed a winter motif with skiers, skaters, and frosty snowmen.

This year Eddie Calesa was elected to be our class president. He and the other class officers worked with Mrs. Dean, our advisor, to make our junior year a happy one.

One of the most important and controversial events of our junior year was the choice of a class ring. Our final choice was one with an oval stone made by Balfour's.

As the junior year drew to a close, preparations for our senior year were in full swing.

In a stirring ceremony, we saw eleven members of our class tapped for Honor Society. Membership in the Honor Society is based on outstanding scholastic ability and qualities of leadership. We were proud and happy to see members of our class thus honored.

From February to May, twenty-four girls worked diligently preparing dummies for our yearbook. Working in pairs, each group tried to keep their dummy as mysterious as possible. Finally, at the end of May, the dummies were judged and Priscilla Hutchinson and Elinor Scott were chosen to be co-editors.

Once again cheerleader and majorette tryouts were held with Sheila Lavell being elected as head cheerleader and Pat Fanning as head majorette. Co-captains for the football squad were named. They were Don LeBlanc and John Morin.

Six boys from our class, chosen by the American Legion, represented us at Boys' State held at the University of Massachusetts in the early part of June. The week before, at Bridgewater State Teachers' College, Girls' State had been held. One delegate from A.H.S. attended.

With the completion of his latest and fifth term as interim principal, we would like to thank Mr. Hall for all

he has done for us while headmaster and especially as interim principal. We shall never forget his tireless patience.

Seniors at last! We returned in September realizing that this would be our last year. Everyone tried to make it a year we'd long remember.

To direct us in our senior year, we were fortunate to have Mr. Walter E. Bowman, Jr., as our new principal. Mr. Bowman came to us from Taunton High School where he spent many successful years as principal.

Our first order of business was the election of class officers. They were Eddie Calesa, president; John Morin, vice-president; Pat Maxwell, secretary; and Don LeBlanc, treasurer.

There were many new faces among the faculty to greet us as we began our senior year. We were all very much saddened, however, to learn that Miss Pierce, who had taught for twenty-eight years at A.H.S., had retired during the summer. We shall long remember her novel and effective way of teaching French and her sprightly and friendly personality.

One of our new English teachers was Mr. Israel, whose classes were always interesting. Do you remember the day he passed out Mrs. Leeland's Better Butter Bits?

One of our classmates, Barbara Olsen, received the high honor of being accepted at the University of New Hampshire as a freshman. Although we missed her we were all proud of her outstanding achievement.

Do you remember the time Bill Libertore's football helmet fell on his head, causing him to hit a pole in front of the Y?

Our Senior Social "Memory Lane" under the direction of Ann Walsh and her decorating committee which worked many, many afternoons on decorations, was the first major event of our senior year.

There were three football rallies, of which the most outstanding was the Thanksgiving Rally in preparation for the annual game between Attleboro and North Attleboro.

On Thanksgiving morning at Hayward Field, our team beat North 6-0, breaking a seven year losing streak. Do you remember how excited and happy we were as we left the field? For the first time our class had the experience of attending a Victory Dance that *was* a Victory Dance.

Shortly afterwards, basketball co-captains for the season were announced. They were Jim Duffy and Richard Houde.

Towards the end of January a Talent Show was presented by the Honor Society in order to raise money for an International Day.

There were many illnesses during the winter of our senior year. Because of Mr. Madden's long illness, Mr. Brey took over the football coaching and did it very successfully. Mr. Zmudsky was sick for a month and a half. Judy Barney spent several long weeks in the hospital. Al Fredericks seemed to have it in for the seniors since he incapacitated both Eddie Calesa and Edward Houde.

As we close our class history to meet our February deadline, we are looking forward to the rest of the year and the many events which all seniors experience. Our Prom, our senior play, Honor Society inductions, the Reception, and finally graduation day itself will come all too soon.

We, the class of 1959, will leave Attleboro High School forever. As we pass through the doorways for the last time, let us remember the many happy moments we spent here, and also let us remember the principles we learned, to guide us in the future.

Farewell

As we pass slowly out of these doors that have seen so many come and go, all too quickly we hear the doors of the years past, quietly shutting behind us; and we go forth eagerly to open the doors to the future and whatever it may bring.

For when one door is shut — another opens.

Au Revoir

Miss Pierce, sprightly and vivacious French teacher for many years at A.H.S., left us at the close of the school year 1957-1958 to enjoy "the hills of home." We have missed her from our midst, but we all join in wishing her many years of happiness in her retirement to the lovely Vermont hills.
